smoke containment screens • smoke curtains • fire curtains • horizontal fire curtains • smoke & heat release vents • natural ventilation • fire resistant glazing • horizontal glazing • glazed smoke doors • glazed fire doors • metal fire shutters & other specialty systems

# projectoverview

## Goal

To provide light transmission in a -/60/60 fire rated wall while maintaining the acoustic properties of the wall.

## Solution

To supply and install Stopleveline EI60 fire rated glazing system to the lecture theatre.

## Design Considerations

The design required 5x triangle shaped windows and 6x trapezoidal shaped windows to be incorporated into a fire rated wall with nominated opening dimensions.

## Architect

Lyons

## Builder

Multiplex
