MELBOURNE

smoke containment screens • smoke curtains • fire curtains • horizontal fire curtains • smoke & heat release vents • natural ventilation • fire resistant glazing • horizontal glazing • smoke doors • fire doors • intumescent paint & other specialty systems

projectoverview

Problem

Smoke relief to lobby areas on old levels on stages 3, 5 and 6.

Solution

Install Inova operable smoke vent windows.

Design Considerations

The windows were supplied with a fixed window (light) and the system had to be tested for water leakage to the European façade-test EN 1027

Client

Becton

Fire Safety Engineer

Department of Human Services.

*Note: Each project is unique and usually requires the involvement of a Fire Safety Engineer.
Please contact us to discuss the suitability of this solution for your project.*
