West Pymble
SYDNEY, NEW SOUTH WALES, AUSTRALIA

smoke containment screens • smoke curtains • fire curtains • horizontal fire curtains • smoke & heat release vents • natural ventilation • fire resistant glazing • horizontal glazing • glazed smoke doors • glazed fire doors • metal fire shutters & other specialty systems
Goal
Provide fire protection to bushfire prone area with a BAL-FZ rating. A -/30/- solution is required for building in bushfire prone areas which is tested to comply with AS3959.

Solution
Smoke Control provided and installed a large Fyrehalt FZ spanning 8.1m w x 2.3m h which has been fully tested in accordance with AS1530.4 for up to 30 minutes with a fire rating of -/30-.

Design Considerations
Innovating a large motorised solution to comply with Australian standards while building in bush fire prone areas.

Note: Each project is unique and usually requires the involvement of a Fire Safety Engineer. Please contact us to discuss the suitability of this solution for your project.
